"Preparing Christian Leaders—One Student at a Time"

LHS Honors & Awards Night

Sheboygan Lutheran High held its Honors Night at LHS on Wednesday, May 9. Students in every grade were awarded top honors and recognition for their achievements, service, and leadership.

Faculty presented departmental awards to students in each class based on academic achievement. Leadership Growth awards (pictured above) recognized students who will participate in Badger Boys State, Badger Girls State, HOBY, World Affairs Seminar, and Camp Enterprise.

The Senior Class of 41 students did well in securing over \$1,014,760 in scholarship dollars

to pursue their next field of study including welding and plumbing, dairy science, psychology, business, finance, human biology (nurse anesthetic and exercise science) and interior architecture. Several students also plan to enter the workforce or the US military. Eight graduates plan to attend Concordia University-Wisconsin. Congratulations to Valedictorian, Daniel Schimberg, and Salutatorian, Alyssa Wetenkamp.

As the Class of 2018 moves on to the next phase of their lives, we wish them well and hope they know that God is by their side in taking these next steps. Blessings to you all.
