Raising the Roof

Moses erected the tabernacle. He laid its bases, and set up its frames, and put in its poles, and raised up its pillars. And he spread the tent over the tabernacle and put the covering of the tent over it, as the Lord had commanded Moses. Exodus 40:18-19 ESV

The Lord continues to bless the efforts of our Worship & Fine Arts Center building addition in many ways. I wanted to see the construction progress after five truckloads of steel trusses had been delivered that day. As I entered the inner structure and looked up, I was amazed with the progress of the roof trusses being 75% done along with the catwalk in the theatre. Every day there is something new and exciting taking place on our campus. The roof will hopefully be covered by early March as they continue to lay roof trusses throughout the rest of the building.

Just as the Israelites were in constant motion during the transition from Egypt to the Holy Land, Moses focused on setting up a place for worship first and foremost. The founders of our school did the same with our prayer chapel for the staff inside the gym entrance doors when our school building was first built. It reminded me of how we are blessed to raise our prayers to God and look to Him for guidance. Our days are so fast-paced and change so rapidly with the flurry of activities that seem to overwhelm our lives. We need to take time to seek peace from above through scripture and conversation (prayer) with God. Don't forget to look up and send some thoughts to God through some knee mail!

We pray your Lenten season has focus in preparation for Easter, when we can all lift our voices and 'raise the roof'! Thank you for your continued prayers and support as we continue to ***Prepare for the Future.***

The LHS Music Department will present its biennial Sacred concert on Tuesday, March 17 at 7:00 p.m. in the sanctuary at Trinity Lutheran Church 824 Wisconsin Ave, Sheboygan.

Doors open at 6:30 p.m.

Admission is free and open to the public. A freewill offering will be taken to help support the music department at LHS.

While it is not uncommon for the performing groups of LHS to sing or play sacred music, this concert will specifically feature only sacred music, or music with a central biblical theme. Each group is preparing beautifully written music that will be inspiring, uplifting, and recognizable which will make for a memorable evening of praise through music. Of special note this year, the Konzerthor will be performing the world premier of a breathtaking new work, "Te Deum", by composer Michael John Trotta, featuring brass and organ. Please consider attending what promises to be a wonderful night of music praise!
