LHS Service Day

Service Day is a great opportunity for students to give back to the community. Sheboygan Lutheran is thankful to the many organizations willing to work hand-in-hand with them, as the day also serves as a growth experience for the students involved. The entire student body takes the day out of the classroom and spreads out around the county to do indoor and/or outdoor projects.

The weather on Friday, April 16 was cool and fair, and made it easy to accomplish tasks at several area churches. Groups were bussed to Trinity - Town of Wilson, St. Paul's - Sheboygan, and St. Paul in Falls. Other groups helped at outdoor locations including Bookworm Gardens, Kohler Andrae State Park, and the Lutheran Cemetery.

There were sixteen groups total. Students and faculty members worked at many indoor locations too, including; Bethlehem, Immanuel, Trinity - Downtown churches, the Salvation Army, and Neat Repeats Thrift Store in Plymouth. They performed tasks like washing windows, cleaning, dusting, mopping floors, and organizing storage areas.

It is a joy to serve our churches and organizations again this year.

In His service,

Al Holzheimer, Athletic Director

Thank you for your support!

We would like to extend an enormous THANK YOU to all the donors and bidders involved in this year's Auction fundraiser! It was another year of great blessings! Auction sales reached over \$80,000 including the Fund-a-Cause donations, designated to create a girls Softball Field on the LHS Campus. We pray we can be back in person next year but as a blended event with some online bidding as well to include our out-of-town supporters!
